

# COVID SAFETY AT CADENA

**We want you to be able to enjoy your experience at Cadena, however to ensure the safety of our guests & team things may look and feel a little different on your visit. Please read more on the steps we have taken and the new booking procedures in place.**

## **BOOK AHEAD:**

To ensure all bookings are safely distanced & we can clean tables thoroughly we kindly ask all guests to book a table in advance via our website.

## **DISINFECT HANDS:**

Hand sanitiser stations have been installed throughout the bar & surrounding areas for guest & staff use on entrance & exit points.

## **DISINFECT SURFACES:**

From menus, bar surfaces to every table we will be disinfecting all surfaces on a regular basis.

## **TRACK & TRACE:**

At least one member of each booking is required to scan our QR code at the entrance & input all data required for the government trace & trace scheme.

## **PROTECTIVE SCREENS:**

To keep guests at a safe distance when seated we have positioned protective screens between tables. We ask these are not moved or touched without a member of staffs approval.

## **TABLE SERVICE:**

For your safety we're operating table service only. Our friendly team will take orders & payment at your table, all bars will be for making drinks only.

## **RISK ASSESSMENT:**

A COVID-19 risk assessment has been completed, in line with the government guidance, and will be reviewed regularly.

## **GROUP BOOKINGS:**

As per government guidelines we will be taking reservations with a maximum of 6 guests per table. Each booking should contain a maximum of 2 households or members of your support bubble.
